

GRAPHISOFT PARK

Péter HORNUNG

Peter Hornung has a master's degree in engineering.

First he worked as a development engineer, and later as a programmer on small, early desktop type computers. He built a 30+ years career at Graphisoft, starting as a programmer, later becoming the Chief Administrative Officer managing all administrative activities (Finance, Legal, Back office, HR, IT, Production and Order fulfillment) of the Graphisoft group, reported directly to the CEO until the end of 2008. From that time, he serves on the Board of Directors. He has been involved in the development of Graphisoft Park since its conception, then a business unit of the software company Graphisoft, and his involvement continued as a member of the Board of Directors of the spin-off company, Graphisoft Park SE, from 2006.
